

Dear Colleague,

Thank you for your interest in the World Anaesthesia Society.

WAS aims to:

- Support anaesthesia in the developing world through appropriate training, material and equipment
- Promote the education of anaesthetists in less affluent environments
- Act as an advocate in dealings with governments and agencies involved in anaesthesia and resuscitation overseas
- Maintain a network of appropriately trained and experienced anaesthetists in order to assist members and advise those intending to work in the developing world

The current subscription is £35.00 per annum and we encourage all our UK based members to pay by direct debit. Members based outside the UK should please complete a credit card form.
